Dear Pilot,

As unbelievable as it seems, it was 40 years ago on June 3rd when we marched out of the Adlai Stevenson Auditorium and went out into the world – a group of confident and naïve young adults seeking life’s next journey.

Left behind were the memories of walking from the Murray building to the Wright building, gatherings in the cafeteria, meetings in the hall, chilling at the 20 Grand, homecoming festivities, the senior trip to Montreal, those musical instruments and letter jackets. The visions and sounds of school clubs and bands, teachers like Charles Mallory, Joyce Tibbs, Queen Beene, Coaches Dickerson and Duncan, among many others, were left to photo albums and yearbooks.

The time has come, once again, to reconnect, reminisce and honor the years we all shared. Everyone has busy lives these days and you may feel like you already keep in touch with those you want to see. But there are people who would like to see you! The reunion is not about “Who’s Who” or “Who’s wearing what,” it’s about real people and real life and how “40 Years Later: We Keep Movin’ On and On!” with the knowledge that we were never alone on the journey, which can be the best reward for attending the reunion.

Mark your calendar to experience an enjoyable evening with old classmates and make arrangements to attend today. You will not be disappointed but you will certainly be missed if you don’t attend.

See you on Friday, August 21, 2015
