

You are invited to the Rainier Beach Class of 1970

REUNION

50

Can you believe it's been 50 years?

Dear Classmate,

As unbelievable as it seems, it was 50 years ago in June 1970 that we graduated from Rainier Beach Junior Senior High School. Most of us spent 6 years walking those halls, experiencing life in the late 60's (you all know what I'm talking about) and developing friendships.

We're sure that the past fifty years have brought a whole variety of events and experiences into our lives. None of us is the same person we were that day in June 1970 when we received our diploma and walked off the stage at the Seattle Opera House. Each of us has grown and changed, built on the foundation of our earlier years and our time at Rainier Beach. Come as you are, not as you were, and join with us in celebration of the friendships that have helped shape us and those memories of our time at RB.

The idea is to come, have fun, tell a few stories (real or imagined) and renew old friendships with your RB classmates. Your timely response is appreciated - don't wait until the 11th hour like you did in high school. If you can locate anyone on the "Lost Classmates" list, please pass the information on to Reunions With Class. We want to notify everyone so we all have a chance to be there.

Mark your calendars, make your arrangements, you will not be disappointed. We have a wonderful group of your fellow alumni working together to make this a wonderful evening for all of us.

You will be missed if you don't attend, so please come and be a part of this once in a lifetime event.

Can't wait to see you!
