

You are invited to the Lakes and Clover Park Classes of 1980

REUNION

Can you believe it's
been 40 years?

Dear Classmates,

As unbelievable as it seems, forty years ago come June we left our high school halls and went our separate ways. Our lives these past four decades have been unique in so many ways, yet similar in many ways too. The past forty years have brought a whole variety of events and experiences to each of us. None of us are the same person we were that night in June 1980 when we received our diploma, walked off that platform and onto the stage of life. Each of us has grown and changed and have experienced life beyond our high school halls.

We shared high school together, we grew up together and we made friendships that are still going strong today. So, come as you are, not as you were, and join us in celebrating the memories and friendships that have shaped us. It's a chance to reconnect, a chance to share stories, a chance to hug an old friend, and a chance to see people you may have not seen in a long time.

Clover Park and Lakes High Classes of 1980 have joined to celebrate this momentous occasion, our 40th class reunion. You'll be missed if you don't show, so come help us make this a reunion to remember.

We look forward to seeing you on July 17, 2021!
